

Copper North Mining Corp. appoints Vice President Sustainability and Environmental Affairs

09.01.2012 | [CNW](#)

VANCOUVER, Jan. 9, 2012 - [Copper North Mining Corp.](#) ("Copper North" or the "Company") (TSXV: COL) is pleased to announce the appointment of Mr. Doug Ramsey as the Company's new Vice President, Sustainability and Environmental Affairs.

Mr. Ramsey's 30 years of experience in environmental assessment and permitting include:

- Leading the Environmental Assessment, Permitting and Natural Resources Group for Wardrop, A Tetra Tech Company
- Extensive environmental project experience for a number of mining companies including Barrick Gold, Xstrata Copper, Victoria Gold, and Northern Dynasty
- Serving as Environmental Impact Assessment Technical Director and Manager for SEACOR Environmental, Manitoba
- Acting as Senior Environmental Scientist for Morrow Environmental Consultants

Mr. Ramsey will manage all environmental and permitting activities for the Company. In addition, Mr. Ramsey will be responsible for the development of co-operation agreements with First Nations; lead environmental studies in support of regulatory applications and technical reporting; and maintain positive relations with government, regulators, agencies and other stakeholders. Mr. Ramsey's primary focus will be on advancing the Carmacks Copper Project located in the Yukon, Canada, which is permitted for construction but requires a Water Use Licence in order to commence development.

"Mr. Ramsey's extensive experience and senior leadership in environmental permitting will be essential as we continue to actively pursue the successful permitting of the Carmacks Copper Project" said Dr. Sally Eyre, President and Chief Executive Officer of Copper North. "Further, the appointment of Mr. Ramsey will ensure that Copper North continues to implement sustainable and best environmental practices at both its Carmacks Copper and Redstone Projects".

The Company has authorized the issuance of 175,000 stock options to Mr. Ramsey. These options have a five year term from the date of grant and an exercise price of \$0.27 per common share. Mr. Ramsey will commence his employment with Copper North on February 1, 2012.

About Copper North

[Copper North Mining Corp.](#) is a Canadian mineral exploration and development company. Copper North's mineral resource assets include the Carmacks Copper Project located in the Yukon, and the high-grade, stratiform-copper Redstone Deposit, located in the Northwest Territories.
