## About Mainstream Minerals

Mainstream Minerals Corporation is a mineral exploration and development company focused on precious metal mining properties with economic potential, with the aim of possibly bringing such properties to commercial production. With a portfolio of six projects located in the Birch-Uchi Greenstone Belt, Red Lake Mining District, the company is well positioned to take advantage of the resurgence of exploration and development activities in this prospective belt located 80 kilometres due east of the main Red Lake Greenstone Belt.

These six projects cover an area of approximately 28,600 acres and host several known gold occurrences and past producing mines. Other projects include the Rowan Lake Project on the Cameron Lake-Pipestone Fault in the Kenora Mining District, the West Keefer Claims located in the West Timmins area in north-central Ontario and the Casa Berardi Claims in northern Quebec.

MJO Shares Outstanding: 54,522,130
