TORONTO, ONTARIO -- ([Marketwire](#) - March 20, 2012) - [Bold Ventures Inc.](#) (TSX VENTURE:BOL) ("Bold" or the "Company") wishes to announce that Don Cross and Robert Tremblay have been added as members of the Bold advisory board to work with and bring value to Bold's exploration efforts. Mr. Cross and Mr. Tremblay join the initial members of this board which include Scott Hogg of Scott Hogg & Associates Ltd. and James E. Mungall of Picrite Consulting Inc. Richard Nemis, President and CEO of Bold states: "I am very pleased to welcome Don Cross and Robert Tremblay to the Bold Ventures team of explorers."

## Donald Cross

Mr. Donald Cross graduated in Geology Engineering in 1959. His career started in 1959 with Noranda Exploration and continued for 27 years. During that time he was Exploration Manager in Thunder Bay, Zimbabwe, South Africa, Cyprus, Ireland, and Vancouver. Following this he was Exploration Manager for Tundra Gold Mines based in Val-d'or Quebec. Later he was exploration Manager for Nordic Gold Corporation located in northwest Mexico and as of this date his work has centered in NW Mexico, Baja California and Canada as geological consultant. He is a Professional Engineer of Ontario and has more than 50 years of experience in exploration geology in North America, Africa, Europe and Mexico.

## Robert Tremblay

Mr. Tremblay graduated from the University of Ottawa in 1975, with a B.Sc. (Honours) specializing in structural geology, then worked 16 years mostly with majors before setting out, in 1991 as an independent consultant. Mr. Tremblay's career has mainly been focussed on exploring for gold, base metals and platinum group elements throughout the Abitibi regions of Quebec and Ontario and in various volcanic belts throughout north-western Ontario and the James Bay area of Quebec.

The Company has granted each of the new Advisory Board members 150,000 stock options exercisable at \$0.25 per share for two (2) years, subject to all regulatory approvals.
