Cautionary Disclaimer Regarding Forward-Looking Statements and Information

Certain of the statements and information in this press release constitute 'forward-looking statements' within the meaning of the United States Private Securities Litigation Reform Act of 1995 and 'forward-looking information' within the meaning of applicable Canadian securities laws. Forward-looking statements and information generally express predictions, expectations, beliefs, plans, projections, or assumptions of future events or performance and do not constitute historical fact. Forward-looking statements and information tend to include words such as 'may,' 'expects,' 'anticipates,' 'believes,' 'targets,' 'forecasts,' 'schedules,' 'goals,' 'budgets,' or similar terminology. Forward-looking statements and information herein include, but are not limited to, statements with respect to the completion of the proposed plan of arrangement and the expected timing and structure thereof; anticipated listings and trading and the expected timing thereof; anticipated regulatory approvals; and resource and reserve estimates. All forward-looking statements and information are based on Western Copper and Gold's or its consultants' current beliefs as well as various assumptions made by and information currently available to them. These assumptions include, without limitation that regulatory approvals to the proposed plan of arrangement and proposed listings will be obtained in a timely manner, that regulatory approvals will be available on acceptable terms and assumptions made in the Company's technical report(s) disclosing resources and reserves. Although management considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. Forward-looking statements and information are inherently subject to significant business, economic, and competitive uncertainties and contingencies and are subject to important

risk factors and uncertainties, both known and unknown, that are beyond Western Copper and Gold's ability to control or predict. Actual results and future events could differ materially from those anticipated in forward-looking statements and information. Examples of potential risks are set forth in Western Copper and Gold's annual report most recently filed with the U.S. Securities and Exchange Commission and the Canadian Securities Administrators as of the date of this press release. Accordingly, readers should not place undue reliance on forward-looking statements or information. Western Copper and Gold expressly disclaims any intention or obligation to update or revise any forward-looking statements and information whether as a result of new information, future events or otherwise, except as otherwise required by applicable securities legislation.
