

International Northair Mines Appoints Dr. Frederick T. Graybeal to the Advisory Board

03.04.2012 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- ([Marketwire](#) - April 3, 2012) - [International Northair Mines Ltd.](#) (TSX VENTURE: INM) (the "Company" or "Northair") is pleased to announce the appointment of Dr. Frederick T. Graybeal to the Company's Advisory Board.

"Northair is very pleased to have Dr. Graybeal join its Advisory Board," said Fred Hewett, President & CEO of Northair. "Fred is considered an expert on silver rich mineral deposits and their metallogeny and we believe that he will be an excellent resource as the Company advances its La Cigarra silver project. We welcome Dr. Graybeal and look forward to his valued input as the newest member of our team."

Dr. Graybeal is a geologist who spent most of his 45 year career focused on base and precious metal exploration with ASARCO Incorporated, prior to retiring in 2003 as Chief Geologist. He is currently involved with a number of public exploration companies as a director or a member of the advisory board, and also consults on various exploration projects. Dr. Graybeal also provides technical advice to financial institutions and is a member of a U.S. Geological Survey group researching copper deposits in Arizona. He is a past Vice President of the Society of Economic Geologists, has served on two committees of the National Research Council, and is a recipient of the SME Dickerson and the SEG Marsden awards. He received his A.B. (1960) from Dartmouth College and his M.S. (1962) and Ph.D. (1972) degrees from the University of Arizona.

About International Northair Mines Ltd.

Northair is a mineral exploration company engaged in the acquisition and development of gold and silver properties in Mexico. The Company has successfully staked and acquired a number of early stage projects that offer opportunities for significant discoveries. Northair is currently drilling its La Cigarra silver project in Chihuahua State in order to complete an initial resource calculation by Q3 2012. The Company, along with its joint venture partner, is also completing an initial exploration program at its Sierra Rosario silver/gold project in Sinaloa in preparation for a drill program to begin in May of 2012.

ON BEHALF OF THE BOARD, INTERNATIONAL NORTHAIR MINES LTD.

Fred G. Hewett, P.Eng.
President & CEO

This news release may contain forward-looking statements which are not historical facts, such as ore reserve estimates, anticipated production or results, sales, revenues, costs, or discussions of goals and exploration results, and involves a number of risks and uncertainties that could cause actual results to differ materially from those projected. These risks and uncertainties include, but are not limited to, metal price volatility, volatility of metals production, project development, ore reserve estimates, future anticipated reserves and cost engineering estimate risks, geological factors and exploration results. See Northair's filings for a more detailed discussion of factors that may impact expected results.

This news release does not constitute an offer to sell or solicitation of an offer to sell any securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
