Each holder of Debentures and Warrants was offered the choice to either (i) further extend the maturity date of the Debentures held by that holder to April 13, 2015, in which case the expiry date of the Warrants held by that holder would also be extended to April 13, 2015, or (ii) accept payment in full of the Debentures on the extended maturity date of April 13, 2012, in which case the Warrants held by that holder would also expire on the extended expiry date of April 13, 2012. All of the holders of the currently outstanding Debentures and Warrants elected to extend the expiry date to April 13, 2015.

The conversion price of the Debentures and the exercise price of the Warrants remain unchanged. The extension of the terms of the Debentures and the Warrants has received approval from the TSX Venture Exchange.
