[Satori Resources Inc.](#) (TSX VENTURE: BUD) ("Satori" or the "Company") announces that it has filed its 2011 annual financial statements and management's discussion and analysis. Both are available under the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com) and on the Company's website at [www.SatoriResources.ca](http://www.SatoriResources.ca).

Satori further announces that it closed a subsequent tranche of the flow-through private placement offering that was first announced on February 21, 2012. The Company ultimately amended the terms of the offering, in order that each subscriber received a flow-through unit at a price of \$0.08 per unit, each unit being comprised of one flow-through common share and one half of one non-flow-through purchase warrant, each full warrant being exercisable at \$0.13 per share for a period of two years from closing. Finders' fees representing ten percent in cash and the issuance of a number of finders' warrants equal to ten percent of the units placed was paid to eligible finders, entitling the finder to acquire one non-flow-through common share of the Company at a price of \$0.10 for two years.

On March 27, 2012, the Company announced the closing of the first tranche of the offering, issuing 625,000 flow-through units for gross proceeds of \$50,000. Satori subsequently issued an additional 125,000 flow-through units for gross proceeds of \$10,000 on the same terms. In aggregate, the Company issued 750,000 flow-through units for gross proceeds of \$60,000 and paid an aggregate of \$2,000 in finders' fees (not \$2,800 as previously announced) and issued 25,000 finders' warrants.
