

Soho Resources Corp. appoints Jaime Gonzalez to Advisory Board

10.05.2012 | [CNW](#)

VANCOUVER, May 10, 2012 /CNW/ - [Soho Resources Corp.](#) (TSX Venture - SOH) ("Soho" or the "Company") is pleased to announce that Mr. Jaime E. Gonzalez has been appointed to the Company's Advisory Board. Mr. Gonzalez is a mining engineer with over 38 years of experience in underground and open pit mining operations. He spent 22 years working for major companies including Grupo Mexico, Grupo Frisco and Roca Fosforica Mexicana. He also worked 16 years in the Mexican Mining Development Trust, (Fideicomiso de Fomento Minero) of the government institution that provides financial and technical support to the mining industry in Mexico. Mr. Gonzalez visited other mining operations abroad in Canada, USA, Morocco and Tunisia. He was presented with the 2009 National Mining Award granted by the Association of Mining Engineers, Metallurgists and Geologists of Mexico for his participation in schemes to support small scale mining in Mexico.

Mr Gonzales is assisting the company in its infrastructure investigations by a direct involvement in the planning of electrical power requirements, road access improvement and environmental permitting and, he will act as a liaison with local state and federal government departments responsible in these areas in order to plan and cost these requirements in support of pre-feasibility and feasibility studies planned for the Company's Tahuehueto Project.

"Within his Advisory Board role, Mr. Gonzalez brings an enormous amount of mining engineering experience to our Company. His experience and contacts in Mexico will provide invaluable support as Soho continues to move its flagship Tahuehueto Project through pre-feasibility and feasibility studies towards production."

ON BEHALF OF THE BOARD OF DIRECTORS

(signed) "Ralph Shearing"
Ralph Shearing, Chief Executive Officer

"Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release."

WARNING: The Company relies upon litigation protection for "forward-looking" statements. This News Release may contain forward-looking statements including but not limited to comments regarding the timing and content of up-coming work programs, geological interpretations, receipt of property titles, potential mineral recovery processes, etc. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements. Soho Resources Corp. relies upon litigation protection for forward-looking statements.
