

Triumph Ventures Corp. and Highvista Gold Corp. Complete Transaction to Form Highvista Gold Inc.

06.10.2011 | [CNW](#)

TORONTO, Oct. 6, 2011 - Triumph Ventures Corp. ("Triumph") (TSXV: TMP.P), a capital pool company listed on the TSX Venture Exchange Inc. (the "Exchange"), is pleased to announce the completion of its transaction (the "Qualifying Transaction") with [Highvista Gold Inc.](#) ("Highvista") on substantially the terms set forth in its news release of April 25, 2011. A Filing Statement in respect of the Qualifying Transaction has been prepared in accordance with the requirements of the Exchange and is filed on SEDAR under Triumph's issuer profile.

Immediately prior to the closing of the Qualifying Transaction, Triumph consolidated its shares on a one-for-two basis and changed its name to "Highvista Gold Inc.". Highvista subsequently amalgamated with a wholly-owned subsidiary of Triumph under an amalgamation agreement and Highvista Gold Inc. purchased all of the issued and outstanding shares of Lowvista Gold Corp. ("Lowvista") under a share purchase agreement.

The Qualifying Transaction will constitute a reverse take-over inasmuch as the former shareholders of Highvista will own (on a non-diluted basis) approximately 92% of the outstanding shares of Highvista Gold Inc. immediately after the closing of the Qualifying Transaction.

The board of directors of Highvista Gold Inc. and the amalgamated entity will consist of five directors and will be comprised of the following persons: Richard Adams, Gerry McCarvill, Edmund King, Ralph Fitch and Tina Woodside. The officers of Highvista Gold Inc. and the amalgamated entity will include Richard Adams as President and Chief Executive Officer, Janet O'Donnell as Chief Financial Officer, and David Carbonaro as Corporate Secretary.

The completion of the Qualifying Transaction has received conditional approval of the Exchange and is subject to its final approval, which is expected after completion of the required filings. After giving effect to the Qualifying Transaction, there will be 31,246,900 Highvista Gold Inc. Shares issued and outstanding (calculated on a non-diluted basis).

As a result of the consolidation of Triumph's stock on a one-for-two basis, the exercise price of the existing options to purchase common shares in the capital of Triumph will consequently double to \$0.40 per share. The existing stock option plan of Triumph (the "Stock Option Plan") approved at Triumph's most recent meeting of shareholders held on July 22, 2011 remains in effect with some minor amendments made by the board of Highvista Gold Inc. The amendments provide clarity on the method of payment for the shares and the vesting schedule of options for consultants providing investor relations activities. In addition, a section providing for a four-month hold period was added to the Stock Option Plan for situations where the exercise price of an option is based on the Discounted Market Price (as that term is defined by the Exchange).

Trading in the common shares of Highvista Gold Inc. was halted at the request of Triumph. The common shares of Highvista Gold Inc. are expected to commence trading under the symbol "HVV" after the Exchange issues its final bulletin.

On August 31, 2011, Highvista completed a brokered private placement of 5,824,400 subscription receipts for aggregate gross proceeds of \$2,912,200. The private placement was co-led by NCP Northland Capital Partners Inc. and Portfolio Strategies Securities Inc.

Highvista and Lowvista own 100% of a Mexican subsidiary that in turn controls the 24,215 hectare Canasta Dorada Gold Project located in Sonora State, Mexico. This project is located in the Sonoran Gold Belt immediately adjacent to AuRico Gold's 1.5 million ounce El Chanate Mine. Highvista has identified several mineralized areas at Canasta Dorada, and intends to complete a drill program at three of these areas in the fourth quarter of 2011. "We have assembled an exceptional team and project in a world class mining district" notes Rick Adams, President and CEO of Highvista Gold Inc., "and we look forward to further exploring Canasta Dorada".
