READER ADVISORY

Statements in this press release may contain forward-looking information including, but not limited to, statements with respect to the Company's proposed drill programs. In addition, information concerning the interpretation of drill results may also be considered forward-looking statements as such information constitutes a prediction of what mineralization might be found to be present if and when a project is actually developed. Any statements that are contained in this press release that are not statements of historical fact may be deemed to be forward looking statements. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect, including but not limited to, the ability of the Corporation to raise sufficient capital to pay the exploration and development costs on the properties, the availability of skilled labour, availability of equipment, and future capital and operating costs. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. Factors that could cause actual results to differ materially from any forward-looking information include, but are not limited to, the risks of capital and operating costs varying significantly from estimates, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, inflation, commodity price and exchange rate fluctuations, the uncertainty of estimates and projections relating to production, health, safety and environmental risks, delays in the development of projects, uncertainties relating to the interpretation of the geology, unanticipated operational or technical difficulties and other factors. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

The forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS PRESS RELEASE.

THIS PRESS RELEASE, REQUIRED BY APPLICABLE CANADIAN LAWS, IS NOT FOR DISTRIBUTION

TO U.S. NEWS SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.
