15.06.2012 | [Marketwired](#)

TORONTO, ONTARIO -- (Marketwire) -- 06/15/12 -- [Sinchao Metals Corp.](#) ('Sinchao' or the 'Company') (TSX VENTURE: SMZ) reports that for year ended March 31, 2012, it has recorded a net loss US\$6,171,449 or US\$0.08 per share compared to a net loss of US\$12,194,546 or US\$0.16 per share for the same period in 2011. This was mainly due to a write-off of exploration properties of US\$5,050,619 and US\$11,465,806 for the years ended March 31, 2012 and March 31, 2011 respectively.

Sinchao ended the quarter with a cash position of US\$76,161 and a working capital deficit of US\$1,943,485. The Company will need to raise additional funds or borrow the funds to provide the necessary finance for business activities.

On March 2, 2012 the Company and [Southern Legacy Minerals Inc.](#) ("Southern Legacy"), a private mineral exploration company organized under the laws of the State of Idaho, announced that they have entered into an agreement to combine the two companies by means of a share exchange or statutory arrangement (the "Transaction"). The Transaction will consolidate a majority of the Company's deposit claims, located within the Yanacocha-Hualgayoc mining district in the department of Cajamarca, Northern Peru, and form a diversified mineral exploration company with base and precious metals properties in Peru, Chile and Colombia. The two companies have agreed to combine through Sinchao acquiring all of the issued and outstanding common shares of Southern Legacy by means of a share exchange on the basis of (0.8352) of a common share of Sinchao for each one common share of Southern Legacy. The Sinchao shareholder meeting has been planned for June 27, 2012 to approve the transaction. The Andean board has agreed to support the transaction and will vote its current 65.81% in favour of the transaction. On completion of the transaction, which includes a CAD\$7.1 million financing, Andean will own approximately 17% of the renamed Southern Legacy.

On completion of the Transaction, Southern Legacy will repay all loans made by Andean to Sinchao. At March 31, 2012, the Company owed Andean and its subsidiaries US\$1,151,973.
