29.06.2012 | [Marketwired](#)

[Vaaldiam Mining Inc.](#) (TSX: VAA) ("Vaaldiam" or the "Company") and BCKP Limited ("BCKP") announce today the closing of the previously announced plan of arrangement (the "Arrangement"), pursuant to which BCKP acquired beneficial ownership of 71,634,711 common shares of Vaaldiam, representing 100% of the outstanding common shares of Vaaldiam, at a price of \$0.2649292 for each common share of Vaaldiam.

The Arrangement was carried out pursuant to the provisions of the Canada Business Corporations Act and was approved by the Ontario Superior Court of Justice (Commercial List) on June 28, 2012 and the affirmative votes of the Vaaldiam shareholders at a meeting held on June 21, 2012.

The purpose of the Arrangement was to enable BCKP to acquire all of the outstanding common shares of Vaaldiam. Vaaldiam intends to make an application to cease to be a reporting issuer in all of the applicable provinces of Canada and to de-list the common shares of Vaaldiam from the Toronto Stock Exchange at the close of business on or about Thursday, July 5, 2012.

Registered holders of Vaaldiam common shares are reminded that, in order to receive the consideration to which they are entitled pursuant to the Arrangement, they should promptly complete and execute the letter of transmittal delivered to them with their shareholder meeting materials and which is also available online at [www.sedar.com](#) and present and surrender the certificate(s) representing their Vaaldiam common shares in accordance with the letter of transmittal to Computershare Investor Services Inc., the depository for the Arrangement, at the address indicated on the letter of transmittal. Failure to present and surrender the certificate(s) representing such Vaaldiam common shares on or before the sixth anniversary of closing will result in the termination of any entitlement of the holder of such common shares to receive the consideration otherwise payable to such holder under the Arrangement.
