

# Early Warrant Exercise Incentive Program and Private Placement

30.05.2012 | [Business Wire](#)

HOUSTON -- (BUSINESS WIRE) -- [TriStar Gold Inc.](#) (the "Company") is pleased to announce that, further to its news release dated May 17, 2012, the TSX Venture Exchange has accepted for filing the Company's proposed incentive program to encourage the early exercise of certain outstanding warrants (the "Warrants"). The Warrants, as originally issued, are exercisable into one common share of the Company at \$0.30 per share until December 20, 2015. The Company is now offering to the Warrant holders the option to accept an amendment to the existing Warrants which allows the holder to exercise each outstanding Warrant to receive a unit (the "New Unit") at \$0.25 per New Unit. This offer is not available to Warrant holders who are insiders and pro group members. Each New Unit will consist of one common share of the Company and one-half of a share purchase warrant (the "Incentive Warrant") and each whole Incentive Warrant will entitle the holder to purchase an additional common share of the Company at an exercise price of \$0.30 for a two year period from the date of issuance of the Incentive Warrants. Warrant holders will have until 4:30 p.m. (Vancouver time) on June 25, 2012 in which to exercise the Warrants on the amended terms. After that time, any unexercised Warrants will continue to be exercisable for common shares on the same terms that previously existed. Each Incentive Warrant, and any common shares issued upon exercise thereof, will be subject to a four month hold period from the date of issuance of the Incentive Warrants and any other hold periods required under applicable securities laws.

In addition, the Company announces that, further to its news release dated May 17, 2012, it has amended the terms of its private placement such that the warrants to be issued thereunder will be exercisable for a term of two years from the date of issue instead of the one year term previously announced.
