

# Royal Standard Minerals Retains Equicom Group for Investor Relations Services and Launches New Website

12.04.2012 | [Marketwired](#)

TORONTO, ONTARIO -- (Marketwire - April 12, 2012) - [Royal Standard Minerals Inc.](#) (OTCBB:RYSMF) (the "Company" or "Royal Standard") today announced that it has retained The Equicom Group Inc. ("Equicom") to provide strategic investor relations and financial communications services.

The Equicom Group is a wholly-owned subsidiary of TMX Group Inc, and provides strategic communications services to approximately 120 public companies across a diverse range of industries from its offices in Toronto, Calgary and San Diego. Equicom has formed unparalleled relationships within the North American investment community and specifically in the mining industry working with over 25 companies ranging from exploration to production worldwide.

Philip Gross, Interim President and Chief Executive Officer, commented, "The engagement of The Equicom Group reinforces Royal Standard's new corporate strategy following the recent changes to the management team, and our goal to strengthen commitment to investor communications as the company reaches critical milestones."

Paul G. Smith, Chairman of the Board, further commented, "We are delighted to be engaging with a tier one caliber firm and we look forward to working closely with Equicom in delivering a clear message to our shareholders."

Neither Equicom nor any of its principals have an ownership interest, directly or indirectly, in Royal Standard Minerals Inc. or its securities, nor has the Company granted Equicom or its principals any rights to acquire any such interests.

## Launch of New Corporate Website

The Company is also pleased to announce the launch of a new corporate website. As a hub for corporate communications, the new corporate website will emphasize meaningful content around a user-friendly and intuitive environment allowing the Company's investor base 24 hour access to all corporate information. The Company is committed to maintaining a current website.

## About Royal Standard Minerals Inc.

[Royal Standard Minerals](#) is a junior mining and exploration company with multiple high quality gold projects in Nevada, USA. The Company's flagship, Goldwedge Mine, is located southeast of the Round Mountain gold mine in central Nevada. Royal Standard explores and develops gold and polymetallic properties. The Company's current portfolio of gold exploration projects includes Fondaway Canyon, Pinon, and Dixie Comstock. The Company intends to aggressively explore and develop its Nevada gold projects and acquire additional prospective gold properties, to create a development pipeline that can fuel further growth.
