TORONTO, ONTARIO -- (Marketwire - Sept. 19, 2012) - [Belo Sun Mining Corp.](#) (TSX:BSX) (the "Company") has announced today that it has entered into an agreement with a syndicate of underwriters led by BMO Capital Markets, under which the underwriters have agreed to buy on a bought deal basis by way of a short form prospectus, 35,720,000 common shares (the "Common Shares"), at a price of C\$1.40 per Common Share for gross proceeds of C\$50 million (the "Offering"). The Company has granted the Underwriters an option, exercisable at the offering price for a period of 30 days following the closing of the Offering, to purchase up to an additional 15% of the Offering to cover over-allotments, if any. The Offering is expected to close on or about October 10, 2012 and is subject to the Company receiving all necessary regulatory approvals.

The net proceeds of the Offering will be used to fund the feasibility study for and development of the Volta Grande gold project and further exploration and general corporate purposes.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any State in which such offer, solicitation or sale would be unlawful.

Not for distribution to U.S. news wire services or dissemination in the United States.
