New York, United States (ABN Newswire) - McEwen Mining (TSE:MUX) (NYSE:MUX) Chairman and CEO Rob McEwen will be presenting the company on October 11th in New York at Investorium.tv.

Rob McEwen is the largest shareholder of McEwen Mining Inc. which he created by combining US Gold Corporation and Minera Andes Inc. in January 2012. He is the founder and former Chairman and CEO of Goldcorp Inc. which is, by market capitalization, the second largest gold producer in the world. In 1990, Rob jumped from the investment industry into the mining industry, where he transformed Goldcorp Inc. and a collection of small companies into a mining powerhouse.

Additional speakers include Eric Sprott, from Sprott Asset Management. Sprott's investment team, led by Rick Rule and Eric Sprott, pursues a deeper level of knowledge and understanding which allows it to develop unique macroeconomic, sector and company insights. Both Eric and Rick are sought-after speakers at natural resource investing conferences and with various media outlets.
