Sono Resources, Inc. Announces Sale Of Bonnyridge Pty

26.06.2012 | PR Newswire

VANCOUVER, June 26, 2012 - Sono Resources, Inc. (OTCBB:SRCI) (the "Company" or "Sono") authorized the execution of a share purchase agreement dated June 25, 2012 (the "Share Purchase Agreement") with Pinette Copper Corp, a private company organized under the laws of British Columbia ("Pinette Copper"). In accordance with the terms and provisions of the Share Purchase Agreement, the Company agreed to sell to Pinette Copper its right, title and interest in and to 100% of the outstanding common shares of Bonnyridge (Pty) Ltd., a private company organized under the laws of Botswana ("Bonnyridge"). In further accordance with the terms and provisions of the Share Purchase Agreement, the purchase price for the acquisition of the shares of common stock of Bonnyridge was \$500,000 Canadian, which shall be effected by the exchange and assumption by Pinette Copper of debt obligations due and owing by the Company to third parties.

The Company had previously acquired 100% of the shares of Bonnyridge through a share purchase agreement dated March 14, 2011, as amended August 2, 2011 with Tignish (Pty) Ltd. Bonnyridge is the legal and beneficial owner of three mineral license blocks located in northwestern Botswana, Africa.

Sono's Board of Directors has determined that it is in the best interests of the Company and its shareholders to sell its interest in Bonnyridge due to: (i) the ability to relieve the Company of debt obligations in the amount of \$500,000 Canadian; (ii) the significant costs and timeline associated with conducting exploration and mining operations in Botswana; and (iii) the ability to pursue other exploration initiatives the Company has acquired in Alaska.

Gary Powers, Sono's President commented, "Our concentration this year is on the exploration and development of our Alaska claims, and to refocus on gold and silver as the Company's commodity directive. The sale of Bonnyridge facilitates that goal, while reducing our liabilities by about one-third."

Gary Powers, the President/Chief Executive Officer and a member of the Board of Directors of the Company, holds an approximate 0.7% equity interest in Pinette Copper. William Thomas, the Chief Financial Officer and a member of the Board of Directors, holds an approximate 3.0% equity interest in Pinette Copper. Paul R. Lindsay, a member of the Board of Directors, holds no equity interest in Pinette Copper.
