

Teryl Resources Corp. Progress Report for 2013

13.02.2013 | [PR Newswire](#)

[Teryl Resources Corp.](#) (TSX Venture Exchange: TRC.V, OTCBB: TRYLF) announces the following company progress for 2013:

Westridge Gold Property:

A geological report is being prepared on the Westridge gold property, by Dave Adams, a qualified geologist located in Alaska. The report will be recommending an additional work program and reviewing previous exploration completed to date.

The Westridge property is near the Fort Knox Mine in the Fairbanks Mining district, The Fort Knox producing gold mine is owned by Fairbanks Gold Mining Company, a subsidiary of [Kinross Gold Corp.](#)

Teryl owns 100% interest in the Westridge claims.

Fish Creek Property

Teryl Resources Corp. has received the budget for a reverse circulation drill program from Metallogeny, Inc., general contractor in Alaska, consisting of placer and lode drilling to identify targets, on the Fish Creek property this spring.

The Company has staked additional claims adjacent to the Fish Creek Property for access purposes, and received a permit for placer and lode drilling.

The claims are adjacent to the Gil property currently being explored by Kinross Gold.

Silverknife Property

Located in British Columbia, these claims are adjacent to the Silvertip silver, lead, zinc mine currently owned by [Silver Corp. Metals](#). A mill is planned by Silvercorp one kilometer from the Silverknife claims.

A drill program for 1,000 meters is recommended to drill known targets identified by previous drilling and exploration work including geophysical targets.

An updated 43-101 report is currently being prepared by Paul Gray our qualified geologist.

ABOUT TERYL RESOURCES

[Teryl Resources Corp.](#) symbol TRC.V TSX Venture – has several gold prospects in Alaska near the Kinross Fort Knox Mine, a 10% net profit interest in the Stepovich claims. A 100% interest in the Westridge property and a 50% option on the Fish Creek property, adjacent to the Gil property. Teryl sold its 20% interest in the Gil property in Fairbanks, Alaska to Fairbanks Gold Mining Corp. to date \$2.5 million dollars has been received and an additional \$1.5 million payment upon production; \$15 million (less advanced payments) from the 1% NSR of the property, thereafter Teryl retains a ½ of 1% royalty for the life of the mine. Teryl owns a 30% working interest and a 10% NPI interest in the Silverknife property, a silver/lead/zinc prospect located in Northern B.C. adjacent to [Silvercorp's](#) silver/lead/zinc discovery. Teryl has a small revenue interest in three producing oil and gas wells in Texas with [Anadarko Petroleum](#) as the operator. See www.terylresources.com website for more detailed information.

READER ADVISORY

This news release may contain certain forward-looking statements, including management's assessment of future plans and operations, and capital expenditures and the timing thereof, that involve substantial known and unknown risks and uncertainties, certain of which are beyond the Company's control. There can be no assurance that such statements will prove accurate, and actual results and developments are likely to differ, in some case materially, from those expressed or implied by the forward-looking statements contained in this press release. Readers of this press release are cautioned not to place undue reliance on any such forward-looking statements.

Forward-looking statements contained in this press release are based on a number of assumptions that may prove to be incorrect, including, but not limited to: timely implementation of anticipated drilling and exploration programs; the successful completion of new development projects, planned expansions or other projects within the timelines anticipated; the accuracy of reserve and resource estimates, if any, grades, mine life and cash cost estimates; whether mineral resources can be developed; title to mineral properties; financing requirements; changes in laws, rules and regulations applicable to Teryl, and changes in how they are interpreted and enforced, delays resulting from or inability to obtain required regulatory approvals and ability to access sufficient capital from internal and external sources, the impact of general economic conditions in Canada, and the United States, industry conditions, increased competition, the lack of availability of qualified personnel or management, fluctuations in foreign exchange, stock market volatility and market valuations of companies with respect to announced transactions. The Company's actual results, performance or achievements could differ materially from those expressed in, or implied by, these forward-looking statements, including those described in the Company's Financial Statements, Management Discussion and Analysis and Material Change Reports filed with the Canadian Securities Administrators and available at www.sedar.com, and the Company's 20-F annual report filed with the United States Securities and Exchange Commission at www.sec.gov. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits, including the amount of proceeds, that the Company will derive therefrom.

Readers are cautioned that the foregoing list of factors is not exhaustive. All subsequent forward-looking statements, whether written or oral, attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. Furthermore, the forward-looking statements contained in this news release are made as at the date of this news release and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by applicable securities laws.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities of the Company have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
