

Tr'ondëk Hwëch'in and Golden Predator Continue to Work Together

08.01.2013 | [CNW](#)

VANCOUVER, Jan. 8, 2013 /CNW/ - In light of recent Yukon Court of Appeals decisions regarding aboriginal consultation, [Golden Predator Corp.](#) (TSX:GPD) and Tr'ondëk Hwëch'in seek to provide clarity that the Brewery Creek project, which is subject to a Socio Economic Accord between THFN and Golden Predator, is not impacted by this decision. THFN and Golden Predator also wish to reaffirm their commitment and support for the Brewery Creek project, with the anticipation that the Brewery Creek project will be the Yukon's next producing gold mine in a collaborative cooperative and mutually beneficial manner.

Both Golden Predator Corp and Tr'ondëk Hwëch'in are committed to continuing to work together to foster the well-being of Tr'ondëk Hwëch'in Citizens, and to achieve successful licensing, permitting and profitable operation of Golden Predator's proposed Brewery Creek mine.

No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein. This press release contains projections and forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance. There are numerous risks and uncertainties that could cause actual results and Golden Predator's plans and objectives to differ materially from those expressed in the forward-looking information. Actual results and future events could differ materially from those anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. Except as required by law, Golden Predator assumes no obligation to update forward-looking information should circumstances or management's estimates or opinions change.
