Forward Looking Statements

This release contains forward looking statements. The words "believe," "expect," "feel," "plan," "anticipate," "project," "could," "should" and other similar expressions generally identify forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. These forward-looking statements are subject to a number of risks and uncertainties including, without limitation, variations in estimated costs, the failure to discover or recover economic grades of minerals, and the inability to raise the funds necessary for the continued operations of the Company, changes in external market factors including commodity prices, and other risks and uncertainties. Actual results could differ materially from the results referred to in the forward-looking statements.
