

Berkwood Resources Ltd. Retains Strike Communications

28.01.2013 | [The Newswire](#)

[Berkwood Resources Ltd.](#) ("Berkwood" or the "Company") is pleased to announce the engagement of Strike Communications Inc. ("Strike") to perform corporate advisory and investor relations services for the Company, effective November 1, 2012 for an initial period of six months, subject to TSX Venture Exchange approval. Strike will assist with the creation, coordination and implementation of the Company's targeted objectives with respect to corporate development, producing and distributing effective marketing communication tools, and increasing investor awareness while introducing the Company to private investors, analysts, brokers, money managers, newsletter writers and other financial professionals. The agreement with Strike is subject to TSX Venture Exchange approval.

As compensation for its services, Strike will receive a fee of \$10,000 (plus HST) per month in remuneration, and the Company will grant Strike stock options to acquire 500,000 shares in the capital of the Company at an exercise price of \$0.10, for five years from the date of grant. The options vest equally over 12 months at the end of each three month period from the date of grant and are subject to a four month hold period. The grant of options is subject to the provisions of the Company's Stock Option Plan, the policies of the TSX Venture Exchange and applicable securities laws.

Berkwood Resources Ltd.'s President and CEO, Brian Buchanan states: "We are pleased to have Strike work with us to increase the exposure of Berkwood to the financial markets and also increase awareness of the Company's activities. Berkwood is working toward its goal of identifying prospective acquisitions, and the exploration and development of gold, copper and other mineral deposits in North America and South East Asia. The Company expects good news flow over the next few months and will work with Strike to showcase the Company to a full range of retail and institutional investors. Our team looks forward to working with Strike in the coming months."
