Vancouver, British Columbia -- November 26, 2012 - [Canasia Industries Corporation](#) (the "Company") (TSX-V: CAJ) (PINK SHEETS: CANSF.PK) (FRANKFURT:45C) announces that at the Annual General and Special Meeting of its shareholders scheduled for December 20, 2012 (the "Meeting"), the Company will be seeking shareholder consent to a proposed consolidation of its share capital on the basis of twenty pre-consolidation common shares for one post-consolidation common share (the "Consolidation") and authorization for the board of directors of the Company (the "Board"), at any time within twelve months following the Meeting in its absolute discretion, to determine whether or not to proceed with an approved Consolidation without further approval, ratification or confirmation by the shareholders.

Currently, a total of 140,741,371 common shares in the capital of the Company are issued and outstanding. Accordingly, if the Consolidation is put into effect, a total of 7,037,068 common shares in the capital of the Company would be issued and outstanding following the Consolidation, assuming there are no other changes in the issued capital of the Company. There is currently no maximum number of authorized common shares. The Consolidation is being proposed in order to allow the Company greater flexibility in future financings and is subject to approval of the shareholders and the TSX Venture Exchange. A change of the Company's name to "[Makena Resources Inc.](#)" is proposed, if the Company proceeds with the Consolidation, subject to acceptance for filing by the TSX Venture Exchange.

Further details with respect to the proposed Consolidation are contained in the Company's Information Circular dated November 19, 2012 (the "Information Circular") relating to the Meeting. A copy of the Information Circular is available under the Company's profile on SEDAR at www.sedar.com.
