A spokesperson from Silverado Gold Mines Inc. commented on the recognition: "This is quite an honor for us. The fact that Alaska Journal of Commerce included Silverado Gold Mines Inc. in its selection of 'Alaska's Largest Mining Companies,' signals that our constant efforts towards business excellence are paying off. We are proud to be included in this recognition."

About Silverado Gold Mines Inc.: a short profile by and about the honoree:

Silverado has three projects in Alaska where Silverado has produced some 34,000 ounces of gold during the exploration stage. The company is currently seeking a financial partner to complete the last stage of placing the Nolan gold/antimony mine into production. Silverado has worked in Alaska for 42 years.

Following the publication of Silverado Gold Mines Inc.'s selection for Alaska Journal of Commerce's Alaska's Largest Mining Companies list, American Registry seconded the honor and added Silverado Gold Mines Inc. to the "Registry of Business Excellence™." An exclusive recognition plaque, shown here, has been designed to commemorate this honor.
