VANCOUVER, BRITISH COLUMBIA -- (Marketwire - March 15, 2013) - [Eldorado Gold Corporation](#) (TSX:ELD)(NYSE:EGO) ("Eldorado", the "Company" or "We") today announced that it is increasing the number of common shares (the "Shares") of the Company which may be purchased under its normal course issuer bid (the "NCIB") from 699,047 Shares to 4,199,047 Shares representing approximately 0.59% of the total 711,375,619 Shares of the Company's issued and outstanding as at March 30, 2012.

Purchases will be made through the facilities of the Toronto Stock Exchange (the "TSX") at prevailing market prices. The NCIB commenced April 10, 2012 and will end April 9, 2013. Since the commencement of the NCIB on April 10, 2012 until March 15, 2013, the Company has purchased 668,763 Shares at an average price of \$10.39 per Share. Pursuant to TSX policies, daily purchases may not exceed 716,052 Shares representing 25% of the average daily trading volume of 2,864,209 Shares subject to certain prescribed exemptions.

In 2011, the Company established a Restricted Share Unit Plan ("RSU Plan") for the benefit of designated participants. Designated participants are employees or officers of the Company or a related entity of the Company as the Board may designate from time to time as eligible to participate in the RSU Plan. Under the RSU Plan, vested RSUs are redeemable for Shares, a cash payment equivalent to the value of a Share or a combination of cash or Shares. The RSU Plan provides that Shares available to satisfy such redemption will be acquired on the market. The NCIB is being conducted to acquire the Shares for the purposes of the RSU Plan.

Eldorado has appointed Valiant Trust Company as the Trustee for the purposes of arranging for the acquisition of the Shares and to hold the shares in trust for the purposes of the RSU Plan as well as deal with other administration matters. Through the trustee, GMP Securities LP ("GMP") has been engaged to undertake purchases under the NCIB for the purposes of the RSU Plan. GMP is required to comply with the TSX NCIB rules in respect of the purchases of Shares as the Trustee is considered to be a non-independent trustee by the TSX for the purposes of the NCIB rules.

The Shares acquired will be held by the Trustee until the same are required to be transferred to designated participants under the terms of the RSU Plan to satisfy the Company's obligations in respect of redemptions of vested RSUs held by such designated participants.

A copy of the Company's original and amended Notice filed with the TSX may be obtained, by any shareholder without charge, by contacting Eldorado's Corporate Secretary.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States.

The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
