

Metals Creek Hires King James Capital Corporation for Investor Relations and Grants Stock Options

22.03.2013 | [The Newswire](#)

Toronto, Ontario - March 21, 2013 - [Metals Creek Resources Corp.](#) (the "Corporation") (TSXV: "MEK") has retained King James Capital Corporation ("KJCC"), an investor relations and marketing firm, to provide it with investor relations and financial public relations services. KJCC is based in Vancouver, British Columbia and provides services to help improve corporate communication strategies, which include digital and social media opportunities, as well as select financial industry lead generation. KJCC has been engaged for a term of twelve months. The Corporation will pay compensation of \$2,000 CDN per month (plus HST) and grant to KJCC 100,000 options, each option entitling the holder to acquire one common share of the Corporation at an exercise price of \$0.10 cents per share for a term of two years. One quarter of the options so granted will vest every three months following the date of grant.

KJCC is a full-service strategic public relations and marketing company. Service offerings include: corporate communications strategy, online marketing and investor awareness campaigns, media monitoring recognized key industry websites and maintaining and building active social media campaigns.

About Metals Creek Resources Corp.

[Metals Creek Resources Corp.](#) is a well-funded junior exploration company incorporated under the laws of the Province of Ontario, is a reporting issuer in Alberta, British Columbia and Ontario, and has its common shares listed for trading on the Exchange under the symbol "MEK". The Corporation has recently formed a 50/50 joint venture with Goldcorp, to continue exploring the Ogden Gold property, including the former Naybob Gold mine, located 6 km south of Timmins, Ontario. The Corporation will be the operator and subsequent programs will be funded on a 50/50 basis while both companies contribute its share of required funding in the Ogden Gold Property. The Corporation is also engaged in the identification, acquisition, exploration and development of other mineral resource properties, and presently has mining interests in Ontario, Yukon and Newfoundland and Labrador. Additional information concerning the Corporation is contained in documents filed by the Corporation with securities regulators, available under its profile at www.sedar.com.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
