22.03.2013 | [CNW](#)

ST. JOHN'S, March 22, 2013 - [Canadian Imperial Venture Corp.](#) (TSXV: CQV) (the "Company") is arranging a non-brokered private placement (the "Private Placement") of up to 15 million units (the "Units") at a price of \$0.05 each, to raise up to \$750,000. Each Unit consists of one common share in the capital of the Company and one non transferable share purchase warrant ("Warrant"). One whole Warrant will entitle the holder to buy an additional share in the capital of the Company for a period of two years at a price of \$0.10.

Certain insiders of the Company may acquire Units under the Private Placement. Pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101") and the Policies of the TSX Venture Exchange ("TSXV"), any such participation would be considered to be a "related party transaction" as defined under MI 61-101. The transaction will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of any Units issued to, nor the consideration paid by, such persons will exceed 25% of the Company's market capitalization calculated in accordance with MI 61-101.

The Company may pay finder's fees or commissions in the private placement. The common shares sold in the private placement, any shares acquired upon exercise of the Warrants and any securities issued in payment of finder's fees will be subject to a four-month hold period. The proceeds from the private placement will be used for working capital. The private placement is subject to regulatory acceptance.
