

Delta Gold Corp. Announces Supplemental Listing of Warrants

16.04.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwired) -- 04/16/13 -- [Delta Gold Corporation](#) (the "Company") (TSX VENTURE: DLT) is pleased to announce that a total of 43,767,272 common share purchase warrants (the "Warrants") of the Company will be listed and posted for trading under the symbol "DLT.WT" on the TSX Venture Exchange at the open of markets on April 16, 2013.

The Warrants were issued in connection with the Company's Qualifying Transaction which completed on February 13, 2013. Each Warrant entitles the holder to purchase one common share of the Company at a price of \$0.17 per share and will expire on September 14, 2017. The Warrants are governed by the terms of a Warrant Indenture dated February 13, 2013 and Supplemental Warrant Indenture dated April 2, 2013 between the Company and Olympia Trust Company, copies of which are available under the Company's profile at www.sedar.com.

The securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This news release does not constitute an offer for sale of securities for sale, nor a solicitation for offers to buy any securities.

The Exchange has in no way passed upon the merits of the proposed Qualifying Transaction and has neither approved nor disapproved the contents of this news release.

FORWARD-LOOKING STATEMENTS:

Certain of the statements and information in this press release constitute "forward-looking statements" or "forward-looking information" any statements or information that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects", "anticipates", "believes", "plans", "estimates", "intends", "targets", "goals", "forecasts", "objectives", "potential" or variations thereof or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms and similar expressions) are not statements of historical fact and may be forward-looking statements or information. Forward looking statements or information relate to, among other things the listing of the Warrants on the TSX Venture Exchange.

Forward-looking statements or information are subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those reflected in the forward-looking statements or information, including, without limitation, the need for additional capital by the Company through financings, and the risk that such funds may not be raised; the speculative nature of exploration and the stages of the Company's properties; the effect of changes in commodity prices; regulatory risks that development of the Company's material properties will not be acceptable for social, environmental or other reasons, availability of equipment (including drills) and personnel to carry out work programs, that each stage of work will be completed within expected time frames, that current geological models and interpretations prove correct, the results of ongoing work programs may lead to a change of exploration priorities, and the efforts and abilities of the senior management team. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements or information. These and other factors may cause the Company to change its exploration and work programs, not proceed with work programs, or change the timing or order of planned work programs. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, described or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information.

The Company's forward-looking statements and information are based on the assumptions, beliefs, expectations and opinions of management as of the date of this press release, and other than as required by applicable securities laws, the Company does not assume any obligation to update forward-looking statements and information if circumstances or management's assumptions, beliefs, expectations or opinions should change, or changes in any other events affecting such statements or information.

Neither the Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.
