The By-law sets a deadline by which holders of record of common shares of the Company must submit a notice of director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for it to be valid.

Specifically, the By-law includes a provision that requires advance notice be given to the Company in circumstances where nominations of persons for election to the board of directors are made by shareholders of the Company other than pursuant to: (i) a requisition of a meeting made pursuant to the provisions of the Business Corporations Act (Ontario) (the "Act"); or (ii) a shareholder proposal made pursuant to the provisions of the Act.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 days and not more than 65 days prior to the date of the annual meeting. The By-law is effective immediately. At the Company's upcoming annual general and special meeting of shareholders to be held on June 25, 2013, shareholders will be asked to confirm and ratify the By-law.
