NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

VANCOUVER, BRITISH COLUMBIA -- (Marketwired - May 8, 2013) - [Banks Island Gold Ltd.](#) (TSX VENTURE:BOZ) (the "Company") announces that, further to its news releases of March 8, 2013 and March 26, 2013, it has closed the second and final tranche of its private placement, for an additional 193,910 flow-through units ("Flow-Through Units") at a price of \$0.68 per unit, for gross proceeds of \$131,859, and 208,816 non-flow-through units ("Non-Flow-Through Units") at a price of \$0.62 per unit, for gross proceeds of \$129,466.

Each Flow-Through Unit consists of one flow-through common share (a "Flow-Through Share") and one-half of one non-transferrable share purchase warrant (a "Warrant"). Each whole Warrant entitles the holder thereof to acquire one non-flow-through common share (a "Common Share") in the capital of the Company at a price of \$0.90 per Common Share for a period of eighteen (18) months following the closing of the financing. The gross proceeds from the issue of the Flow-Through Shares (as defined in the Income Tax Act (Canada)) (the "Tax Act") will be used on qualifying Canadian Exploration Expense or CEE (as defined in the Tax Act) related to the Company's exploration projects. The Company intends to renounce CEE with an effective date of no later than December 31, 2013.

Each Non-Flow-Through Unit consists of one Common Share and one-half of one Warrant. The proceeds from the issue of the Non-Flow-Through Units will be used for working capital purposes.

For the brokered portion of the offering, the Company will pay MPartners Inc. (the "Agent") a cash fee equal to 7% of the gross proceeds raised by the Agent, and brokers warrants (the "Broker's Warrants") equal to 7% of same. Each Broker's Warrant will be exercisable for one non-flow through common share of the Company at a price of \$0.68 at any time up to 18 months after closing.

The warrants will NOT be listed for trading, and the shares, and any shares issued upon the exercise of any warrants, are subject to a Canadian hold period expiring at midnight on September 7, 2013.

The securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act"), or under any state securities laws, and may not be offered or sold, directly or indirectly, or delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) absent registration or an applicable exemption from the registration requirements. This news release does not constitute an offer to sell or a solicitation to buy such securities in the United States.

The Company is a junior mining resource exploration company focused on exploring for and developing economically viable mineral resources. This press release contains forward-looking statements. All statements, other than statements of historical fact, constitute "forward-looking statements" and include any information that addresses activities, events or developments that the Company believes, expects or anticipates will or may occur in the future including the

Company's strategy, plans or future financial or operating performance and other statements that express management's expectations or estimates of future performance.

Forward-looking statements are generally identifiable by the use of the words "may", "will", "should", "continue", "expect", "anticipate", "estimate", "believe", "intend", "plan" or "project" or the negative of these words or other variations on these words or comparable terminology. These statements, however, are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed, implied by or projected in the forward-looking information or statements. Important factors that could cause actual results to differ from these forward-looking statements include but are not limited to: risks related to the exploration and potential development of the Company's projects, the actual results of current exploration activities, conclusions of economic evaluations, changes in project parameters as plans continue to be refined, future prices of gold, as well as those factors discussed in the sections relating to risk factors discussed in the Company's continuous disclosure filings on SEDAR.

There can be no assurance that any forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, the reader should not place any undue reliance on forward-looking information or statements. Except as required by law, the Company does not intend to revise or update these forward-looking statements after the date of this document or to revise them to reflect the occurrence of future unanticipated events.

The TSX Venture Exchange has not reviewed and does not accept responsibility for the accuracy or adequacy of this release. Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
