NOT FOR DISSEMINATION IN THE UNITED STATES OR THROUGH U.S. NEWSWIRE SERVICES

TORONTO, ONTARIO- - (Marketwired - May 15, 2013) - [Savary Gold Corp.](#) (TSX VENTURE:SCA) has launched a private placement financing for total gross proceeds of \$1,000,200 at a price of \$0.06 per common share. Forbes & Manhattan, Inc. has committed to back stop and guarantee the financing.

The proceeds from the financing will be used to fund the continued exploration of the Houndé South project in Burkina Faso and for general corporate purposes. Savary has had remarkable success with its drilling program during the past year and is anxious to continue its work proving its thesis that the Houndé South project hosts a deposit similar to the deposits that are producing or currently subject to development throughout the Houndé Greenstone Belt.

All securities issued by Savary will be subject to a hold period of four months and one day. The financing is subject to a number of conditions, including, without limitation, execution of definitive agreements and receipt of all regulatory approvals.

Upon the closing of the Offering, Savary may pay fees to eligible finders in accordance with the policies of the TSX Venture Exchange in cash, warrants or any combination thereof.

Appointment of Charles Mostert to the Board

Savary welcomes Charles Mostert, the President and Chief Executive Officer of the company, to the board of directors. Mr. Mostert replaces Mark Morabito, who has resigned from the board. Savary would like to thank Mr. Morabito for his contribution to the company.

About Savary Gold

Savary Gold is a Canadian company with a tightly held capital structure and is focused on exploring the Houndé South Gold Property in Burkina Faso. The property is in the Birimian age Houndé Greenstone Belt, which hosts Semafo's Mana mine and additional gold deposits that are presently subject to extensive exploration efforts (including Endeavour Mining's Houndé Project and Sarama's South Houndé Project, which is adjacent to Savary Gold's property).
