Waymar Resources Ltd. to Extend Term of Warrants

19.06.2013 | Marketwired

VANCOUVER, 06/18/13 - Waymar Resources Ltd. (TSX VENTURE: WYM) (the "Company" or "Waymar") announces that the TSX Venture Exchange (the "TSXV") has approved the Company's application to extend the term of its Series 2010-I warrants.

An aggregate of 5,000,000 Series 2010-I warrants were originally issued on June 29, 2010 and were exercisable at $0.55 per share until 5:00 p.m. (Vancouver time) on June 29, 2012, provided that if the closing price of the common shares of Waymar on the TSXV is equal to or higher than $1.10 per share for a period of 20 consecutive trading days, Waymar may accelerate the expiry date of the Series 2010-I warrants to the 30th day after the date on which notice of the accelerated expiry date is given to the holders of such warrants by Waymar (the "Acceleration Provisions"). On June 20, 2012, the TSXV had approved the Company's prior application to extend the term of its Series 2010-I warrants, such that the 4,581,250 outstanding Series 2010-I warrants are exercisable at $0.55 per share until 5:00 p.m. (Vancouver time) on June 29, 2013, subject to the Acceleration Provisions.

The 4,581,250 outstanding Series 2010-I warrants are now exercisable at $0.55 per share until 5:00 p.m. (Vancouver time) on June 29, 2014, subject to the Acceleration Provisions.

About Waymar Resources Ltd.

Waymar Resources Ltd. is a Canadian mineral exploration company with an option to acquire 100% interest in the Anza project located in the west of the Antioquia Department in the Republic of Colombia. Upon exercise of the option, the optionors will retain a 2% net smelter return royalty on that portion of the Anza property governed by the Option Agreement, one-half of which may be purchased by Waymar for a cash payment of US$1,000,000. Waymar also has 100% ownership of certain properties surrounding Anza that cover the district's mineral potential and is continually seeking opportunities to acquire exploration properties. Colombia is a significant producer of gold, nickel, emeralds, petroleum and natural gas as well as a leading producer of coal in Latin America.
