

# Highvista Gold Inc. Files Revised Consolidated Financial Statements and MD&A

10.07.2013 | [Marketwired](#)

TORONTO, Jul 10, 2013 - [Highvista Gold Inc.](#) ("Highvista" or the "Company") (TSX VENTURE:HVV) announces that it has filed revised Consolidated Financial Statements and MD&A for the year ended March 31, 2013 and 2012. The revision is due to a typographical error in the previous disclosure of the subsequent event note. The revised Consolidated Financial Statements and MD&A for the year ended March 31, 2013 and 2012 have been filed on SEDAR and can be reviewed at [www.sedar.com](http://www.sedar.com).

## About Highvista

Highvista owns 100% of a Mexican subsidiary that controls the 24,055 hectare Canasta Dorada Gold Project. This project is located in the Sonoran Gold Belt immediately adjacent to AuRico Gold's El Chanate Mine.

Details of Highvista's Canasta Dorada Project can be viewed at the Company's website at [www.highvistagold.com](http://www.highvistagold.com).

## READER ADVISORY

Statements in this press release may contain forward-looking information including, but not limited to, statements with respect to the Company's proposed drill programs. In addition, information concerning the interpretation of drill results and rock chip sampling results may also be considered forward-looking statements as such information constitutes a prediction of what mineralization might be found to be present if and when a project is actually developed. Any statements that are contained in this press release that are not statements of historical fact may be deemed to be forward looking statements. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect, including but not limited to, the ability of the Corporation to raise sufficient capital to pay the exploration and development costs on the properties, the availability of skilled labour, availability of equipment, and future capital and operating costs. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. Factors that could cause actual results to differ materially from any forward-looking information include, but are not limited to, the ability of the Corporation to fund proposed drill programs and the uncertainties relating to the interpretation of the exploration results, including drill results and rock chip sampling results, and other factors. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

The forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.

*NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS PRESS RELEASE.*
