

Laurion Mineral Exploration Inc. to Ring Opening Bell

09.04.2013 | [CNW](#)

TORONTO, April 9, 2013 /CNW/ - [Laurion Mineral Exploration Inc.](#) (TSX-V: LME) and (OTCQX: LMEFF) ("Laurion" or the "Corporation") is pleased to announce that it will open the market at the Toronto Stock Exchange Wednesday April 10, 2013, to celebrate the Corporation's 68th year of listing and trading of Laurion Common shares.

Cynthia le Sueur-Aquin, President and CEO of Laurion stated, "We are pleased to have been selected by the TSX Venture to participate in this honour. This event signifies an important milestone in unveiling the growth trajectory for Laurion". Joining Laurion will be the Management Team and selected guests to open the market.

About Laurion

The Corporation was incorporated on April 17, 1945, as Davidson Tisdale Mines Limited. Since its incorporation, the Corporation has changed its name to Davidson Tisdale Ltd., Northcott Gold Inc., Laurion Gold Inc., and on October 10, 2006 to Laurion Mineral Exploration Inc.

[Laurion Mineral Exploration Inc.](#) is a junior mining company focusing on the upside of its 100%-owned Ishkoday Property, a high impact VMS project, having a primary focus on gold and base metals.

With proven ability to develop early stage projects and create shareholder value by monetizing its discoveries and assets, Laurion has realized a total of \$6.35 million in the last two years from monetization of its assets.

The Corporation's current emphasis is on resource development at the Ishkoday Property, located in Beardmore, Ontario, approximately 220 km northeast of Thunder Bay.

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this news release.

This news release includes certain forward-looking statements concerning the future performance of Laurion's business, operations and condition, as well as management's objectives, strategies, beliefs and intentions. Forward-looking statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-looking statements are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, competitive risks and the availability of financing. Actual events or results may differ materially from those projected in the forward-looking statements and Laurion cautions against placing undue reliance thereon. Laurion and its management assume no obligation to revise or update these forward looking statements except as required by law.
