

EnerCom, Inc. To Host The Oil & Gas Conference® 18 August 11-15, 2013

23.07.2013 | [PR Newswire](#)

DENVER, July 23, 2013 /PRNewswire/ -- [EnerCom, Inc.](#) will host The Oil & Gas Conference® 18, August 11-15, 2013, in Denver. The Conference is the oldest and largest energy investment conference hosted in Denver. Investment and oil and gas professionals interested in attending the event can [register through the conference website](#). The Conference will be hosted at the Westin Denver Downtown.

Conference Details and One-on-One Meetings: The Oil & Gas Conference® 18 forum offers investment professionals the opportunity to listen to the world's key senior management teams present their growth plans, and provides industry professionals a venue to learn about important energy topics effecting the global oil and gas industry. EnerCom works with presenting company management teams arranging one-on-one meetings with the attending institutional investors and research analysts during the Conference. EnerCom's Oil & Gas 360® (OAG360) will interview executives and analysts during the Conference for viewing on the [OAG360 website](#).

Who are the Presenters: The 2013 edition of EnerCom's The Oil & Gas Conference® will host more than 110 presenting companies with operations spanning more 40 countries and six continents. Market capitalizations of the presenters range from approximately \$16 million to \$202 billion. The [2013 Work-in-Progress presentation schedule](#) can be found on the official Conference website.

Who Attends the Conference: More than 2,000 institutional and hedge fund investors, energy research analysts, retail brokers, trust officers, high net worth investors, investment bankers and energy industry professionals gather in Denver each year for the unique opportunity to meet and discuss future industry plans, growth opportunities, and economic trends that are impacting the exploration and production of oil and natural gas.

History and Sponsors: EnerCom, Inc. founded The Oil & Gas Conference® in 1996. Global sponsors of EnerCom's Conferences are Credit Agricole Corporate & Investment Bank; Netherland, Sewell & Associates; Preng & Associates; and Hein & Associates LLP. Sponsors of The Oil & Gas Conference® 18 are: Canaccord Genuity; Wells Fargo Securities; BMO Capital Markets; U.S. Bank; Stephens Inc.; Royal Dutch Shell plc; [Whiting Petroleum Corp.](#); Energy XXI; Mutual of Omaha Bank; Patton Boggs LLP; and Howard Weil Incorporated.

About EnerCom, Inc.

About Preng & Associates

Preng & Associates, founded in 1980, is the only retainer-based, international executive search firm specializing solely in the energy industry. Its number one priority is to assist clients with their executive selection, organization development, and human resource needs by providing the highest quality service. Preng's record of accomplishment is directly attributable to their experienced staff, worldwide network of industry contacts, proven search methodology, and high standards of professionalism. Preng has conducted over 3000 searches for board, executive, management, and professional positions in its 31-year history and has the highest success and repeat client track record.

Preng's practice is based on the premise that the search process is most effective when conducted by professionals with significant search industry experience. The company has earned a reputation for combining professional search disciplines with an in-depth industry and market understanding and has succeeded in some of the industry's most challenging and high-profile searches. Preng's international reach allows it to effectively conduct global engagements; and as a member of the Association of Executive Search Consultants, Preng practices and promotes its high standards of conduct and professionalism.

For more information about Preng & Associates, contact Charles Carpenter, Partner at 713-243-2610 or ccarpenter@preng.com.

About Hein & Associates

For more than 30 years, Hein & Associates has been recognized as a leading accounting and advisory firm where its people and clients share knowledge, thrive in a culture of teamwork, and build long-term relationships deeply rooted in integrity. With offices in Denver, Dallas, Houston and Irvine, Hein serves public and private companies in a variety of industries across the country. Hein also serves clients globally through its alliance with associations of independent accounting firms around the world. Hein is ranked as one of the "Top 100" accounting and advisory firms in the country by Accounting Today, and consistently recognized by Inside Public Accounting as a "Best of the Best" firm, an honor bestowed on only 25 firms each year, based exclusively on management performance.

About Stephens Inc.

Founded in 1933, Stephens is a privately-held, independent financial services firm focused on building value for companies, state and local governments, institutions and high-net-worth investors. We are headquartered in Little Rock, Arkansas, with offices in leading cities across the country.

Stephens has been a principal investor in the Energy space since 1952 and has a longstanding commitment to assisting and advising public and private Energy companies throughout their life cycles. Stephens Energy investment banking practice began in 2009 and has completed 35 transactions to-date. There are currently 9 professionals in the Energy investment banking group complemented by 7 equity research analysts and associates covering the Exploration & Production, Oilfield Service, and Master Limited Partnership sectors. The combined knowledge base of the Energy team enables us to provide clients an unmatched level of investment banking service, including mergers and acquisitions advisory, fairness opinions and public and private debt and equity offerings. Our extensive network of relationships in the Energy sector and continued presence in the strategic and capital markets allows Stephens to provide clients with actionable advice and an independent perspective on asset valuations, potential strategic issues and financing alternatives.

For more information about Stephens, please visit:
http://www.stephens.com/investment_banking/services_industry_sectors/energy.aspx

About Royal Dutch Shell

Royal Dutch Shell plc is incorporated in England and Wales, has its headquarters in The Hague and is listed on the London, Amsterdam, and New York stock exchanges. Shell companies have operations in more than 90 countries and territories with businesses including oil and gas exploration and production; production and marketing of liquefied natural gas and gas to liquids; manufacturing, marketing and shipping of oil products and chemicals and renewable energy projects.

For further information, visit www.shell.com.

About Whiting Petroleum Corp.

[Whiting Petroleum Corp.](http://www.whiting.com) (NYSE: WLL), a Delaware corporation, is an independent oil and gas company that explores for, develops, acquires and produces crude oil, natural gas and natural gas liquids primarily in the Rocky Mountain, Permian Basin, Mid-Continent, Michigan and Gulf Coast regions of the United States. The Company's largest projects are in the Bakken and Three Forks plays in North Dakota and its Enhanced Oil Recovery fields in Oklahoma and Texas. For further information, please visit <http://www.whiting.com>.

About Energy XXI

Energy XXI (NASDAQ: EXXI) is an independent oil and natural gas exploration and production company whose growth strategy emphasizes acquisitions, enhanced by its value-added organic drilling program. The company's properties are located in the U.S. Gulf of Mexico waters and the Gulf Coast onshore. Energy XXI has implemented an "acquire and exploit" growth strategy to build a geographically focused portfolio with some of the highest per-unit margins in the industry. Energy XXI completed five major acquisitions totaling approximately \$2.5 billion since its founding in October 2005. Energy XXI operates or has an interest in seven of the 11 largest oil fields in the Gulf of Mexico. For further information, please visit <http://www.energyxxi.com>.

About Mutual of Omaha Bank

With expert banking talent and nearly \$6 billion in assets, Mutual of Omaha Bank provides financial solutions to individuals and businesses across the United States. The bank is a subsidiary of Mutual of Omaha, a highly rated insurance and financial services leader for more than 100 years.

When it comes to the energy industry, Mutual of Omaha Bank's Houston-based energy group is uniquely positioned to meet the specialized lending needs of energy companies, their owners and investors. With a strong capital base and a team of highly experienced energy specialists, commercial bankers and wealth management advisors, Mutual of Omaha Bank offers the financial resources and expertise to be a value added partner.

For more information, visit www.mutualofomahabank.com, or www.mutualofomahabank.com/west/commercial/comm_energy lending.html.

About Patton Boggs LLC

Based in Washington, D.C., the law firm of Patton Boggs LLP is a national leader in public policy, litigation, and business law. Known for innovative legal solutions and deep, bipartisan roots in the Washington political arena, Patton Boggs forges strategic connections between business and government.

Core practice areas include Public Policy, Litigation, Business Law, Administrative and Regulatory, and Intellectual Property, each encompassing a diverse range of specific areas of concentration. The strength of the firm's legal practice is grounded in the exceptional capabilities of more than 600 lawyers and professionals, who concentrate in nearly 40 areas of legal practice. For many years, Patton Boggs has been widely recognized as the leading public policy law firm in the United States.

For more information, please visit www.pattonboggs.com.

About Howard Weil Incorporated

Established in 1946, Howard Weil is an investment banking boutique focused exclusively on the energy industry. Howard Weil was acquired by Scotia Capital Inc., a Canadian Investment Dealer, in April of this year and is a division of Scotiabank™. The firm's services include equity research, institutional sales and trading, and investment banking.

Equity Research: Howard Weil's equity research professionals cover approximately 118 energy companies operating in the following sectors: Major Integrated Oils, Exploration and Production, Oilfield Equipment & Service, Natural Gas Hybrids, Independent Refiners, and Coal Producers.

Institutional Sales and Trading: Given the firm's exclusive focus on the energy industry, Howard Weil believes that its sales and trading professionals possess a deeper understanding of energy-industry and company-specific events and trends than professionals at more diversified firms. Howard Weil's sales and trading expertise spans multiple sectors of the energy industry and includes small-, mid- and large-market capitalization companies.

Investment Banking: Howard Weil offers a full range of investment banking services, including public offerings, private placements, M&A and other financial advisory services, and fairness opinions. With its exclusive focus on the energy industry, Howard Weil's investment banking professionals have developed a deep level of industry knowledge and contacts, which can significantly enhance the level of service to the firm's energy investment banking clientele. Since re-establishing its investment banking department in 2005, Howard Weil has served as a co-manager, co-placement agent or lead manager of 104 equity and debt financings, totaling over \$36 billion of capital for a wide range of energy companies.

For more information about Howard Weil, please visit www.howardweil.com.

For more information about Scotiabank™, please visit www.scotiabank.com.
