

Great Panther Silver Appoints New Director

07.08.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Aug 7, 2013) - [Great Panther Silver Ltd.](#) (TSX:GPR) (NYSE MKT:GPL) ("Great Panther"; the "Company") today announced the appointment of Mr. W. James Mullin to its Board of Directors, effective immediately.

Mr. Mullin, who spent his entire 33 year career with [Newmont Mining Corp.](#), holds a degree in Mining Engineering from the Colorado School of Mines and is a retired Professional Engineer in British Columbia.

After advancing through progressively senior roles at the Similkameen Mine in Princeton, BC (now Copper Mountain), he was appointed Vice President and General Manager of that operation. In 1989, he moved to Nevada where he managed several of Newmont's operations. His career culminated in the position of Senior Vice President of North American Operations. His responsibilities included open pit and underground mines and processing plants in Canada, the United States and Mexico. He retired from Newmont in 2001.

Mr. Mullin has a lengthy, successful history of establishing safety and production records, with particular emphasis on cost reduction, improving efficiencies and developing operating synergies between mine sites. Through a series of mergers and acquisitions, Mr. Mullin became skilled at the integration and reorganization of operations to achieve substantial improvements in processes and cost savings.

Mr. Mullin's appointment strengthens the operational expertise of Great Panther's board, and will contribute valuable experience to the Company's objectives of improving grades and reducing site costs in order to increase profitability. His wide-ranging experience and understanding of mine engineering, reorganization and capital discipline will help maximize the value of Great Panther's current operations.
