

Delta Gold Corp. Announces Board of Director Changes

08.08.2013 | [Marketwired](#)

[Delta Gold Corp.](#) ("Delta") (TSX VENTURE:DLT) announces today that Mr. Colin Benner has tendered his resignation from the Delta Gold Corp. Board of Directors and that Mr. Ian Reid and Mr. Christopher Mitchell have joined the Delta Gold Corp. Board of Directors.

Mr. Benner has resigned his Board position for health reasons, but will continue to play a role as a strategic advisor to the Delta Board. Marco Romero, President and CEO, stated "On behalf of the entire Delta team, I thank Colin for his immense contribution to our company and look forward to his ongoing involvement as an advisor to our Board of Directors".

Mr. Romero welcomed the appointment of Messrs. Reid and Mitchell to the Delta Board by stating: "We are very pleased these two accomplished professionals have agreed to join our Board of Directors. Their unique experience and skills will strategically complement the Delta team."

Mr. Ian Reid is an independent corporate director currently serving on a number of public and private company boards. He retired from a 30 year career with Finning International in 2008, which included 11 years as President of Finning (Canada). Mr. Reid currently serves on two other publicly traded company boards as Vice Chairman of The Churchill Corporation and as a director of The Canadian Western Bank. He also serves on three private company boards, Fountain Tire Ltd., Associated Engineering and Voice Construction. He is also a member of the audit committee of the Province of Alberta.

Mr. Reid holds a Bachelor of Commerce degree from the University of Saskatchewan and is a graduate of the Advanced Management Program at Harvard Business School.

Mr. Christopher Mitchell is a metallurgical engineer whose career in the mining industry spans more than four decades in Canada, the United States, Australia and South America, initially in operations and project development, followed by more than 35 years in the marketing of base and precious metals concentrates, environmental permitting and corporate finance.

He has served as Chief Financial Officer of several public companies, including [First Point Minerals Corp.](#), [Independence Gold Corp.](#) and [Silver Quest Resources Ltd.](#) Earlier in his career he was a Senior Vice President of Viceroy Resource Corp., where he led the team that permitted the Castle Mountain Gold Mine in California, and Executive Vice President and Chief Financial Officer of [Orvana Minerals Corp.](#)

Mr. Mitchell has served as a director of publicly listed mining companies, including First Point Minerals, Endurance Gold Corp. and Orvana Minerals in Canada, as well as [Matrix Metals Ltd.](#) and [Mariana Resources Ltd.](#) in Australia.

Mr. Mitchell is a graduate of the University of British Columbia, holding MBA (Finance), M. Sc. (Metallurgy) and B. Sc. (Honours Chemistry) degrees. He is a registered professional engineer (Metallurgy) in British Columbia and a member of the Canadian Institute of Mining and Metallurgy.

In connection with the above appointments Delta has issued 1,200,000 share purchase options with an exercise price of \$0.12 per option and a 5 year term.

About Delta Gold:

[Delta Gold Corp.](#) is a Canadian company whose goal is to build a successful mid-tier gold producer committed to industry-leading best practices. Our business strategy is to identify and evaluate mineral investment opportunities located in favourable jurisdictions and settings, and to prudently acquire and advance those projects that are economically, socially and environmentally viable.
