

Rokmaster Provides Update on Drill Permit Application

15.08.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Aug 14, 2013) - [Rokmaster Resources Corp.](#) (TSX VENTURE:RKR)(LMA:RKR) ("Rokmaster" or the "Company") is pleased to announce its wholly owned Peruvian subsidiary, Minera Pinaya Peru S.A., has submitted the Environmental Impact Statement ("DIA") to the Ministry of Energy and Mines to facilitate all aspects of the application for a diamond drilling -work permit on the Pinaya Project in Peru. The DIA includes information regarding the socio-economic baseline study that identifies all direct and indirect potentially impacted surface areas, community-public participation including community relations plan, the environmental study and environmental management plan, proposed exploration program work plan and reclamation closure plans for trenching and drilling.

John Mirko, President of Rokmaster commented, "We wish to thank our team and consultants, the local communities, the government of Peru and our shareholders for their continued support in moving the project to the drilling stage."

For additional information on the Company and its projects in English and Spanish, including NI 43-101 gold-copper resource estimates on Pinaya, please visit the Company's website www.rokmaster.com.

On behalf of the Board of Directors of ROKMASTER RESOURCES CORP.

John Mirko, President & Chief Executive Officer.

Forward-Looking Information

Information set forth in this news release contains forward-looking information that is based on assumptions as of the date of this news release. This forward-looking information reflects management's current estimates, beliefs, intentions and expectations. They are not guarantees of future performance. Rokmaster cautions that all forward-looking information is inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond Rokmaster's control. Such factors include, among other things: risks and uncertainties relating to Rokmaster's ability to implement and complete exploration programs and Rokmaster's limited operating history and the need to comply with environmental and governmental regulations. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, Rokmaster undertakes no obligation to publicly update or revise forward-looking information. For more information on [Rokmaster Resources Corp.](#) investors should review the Company's filings that are available at www.sedar.com.
