MONT-ST-HILAIRE, QUÉBEC -- (Marketwired - Aug. 22, 2013) - Mr. Renaud Hinse, President and Chief Executive Officer of [Abcourt Mines Inc.](#) (TSX VENTURE:ABI)(BERLIN:AML) (FRANKFURT:AML) (the "Company") announced today that the Company closed a first tranche of a non-brokered private placement of up to \$700,000 in units and up to \$500,000 in flow-through shares, on the following terms.

Pursuant to this first closing, the Company issued 719 units for an amount of \$503,300 and 2,916,647 flow-through shares for an amount of \$247,915. Each unit is comprised of one Class B share (a "common share") of the Company (the "Units") at a price of \$0.07 per Unit and each Class B share to be issued as "flow-through" share (the "Flow-Through Shares") are offered at a price of \$0.085 per Flow-Through Share. Each Unit consists of one common share and one half common share purchase warrant of the Company. Each full warrant will entitle the holder thereof to purchase one common share of the Company over a period of 12 months from the date of closing at a price of \$0.10.

The proceeds from the Flow-Through Shares will be used by the Company primarily to further advance the Elder Gold Mine project in the Abitibi region in the Province of Québec and the proceeds from the Units will be allocated to working capital.

This private placement is expected to close on or before September 4, 2013.

The placement is subject to customary conditions and the final approval of the TSX Venture Exchange. The securities issued and sold will be subject to a four month hold period under applicable securities legislation.

This press release does not constitute an offer to sell, or a solicitation of an offer to buy, any securities of the Company and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation, or sale would be unlawful.

The Common Shares and Flow-Through Shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws of the United States and, subject to certain exceptions and in compliance with the registration requirements of the U.S. Securities Act and applicable state securities laws or pursuant to exemptions therefrom, may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, "U.S. persons" (as defined in Regulation D under the U.S. Securities Act) ("U.S. Persons"). This press release does not constitute an offer to sell or a solicitation to buy any of the securities offered hereby within the United States or to U.S. Persons.

## **About Abcourt Mines Inc.**

[Abcourt Mines Inc.](#) is an exploration and development company with strategically located properties in northwestern Quebec, Canada. The Elder Mine with 43-101 gold resources, the Abcourt-Barvue Project with 43-101 silver-zinc ore reserves and resources and the Aldermac property with historical copper-zinc resources are all former producers. Abcourt is now focused on bringing the Elder and Abcourt-Barvue projects back into production with Elder as the first priority. At the same time the company is working on other projects (Aldermac, Vezza, Jonpol and Vendome) to increase its mineral resources inventory. A 43-101 resource calculation was completed in July, 2012, for the Elder Mine. A positive PEA report was prepared on Elder mine in the Fall of 2012 by Roche Limited, Consulting Group. A positive 43-101 feasibility study was completed by GENIVAR in 2007 on the Abcourt-Barvue Project. In addition, mill equipment was purchased.
