

Avanti Reports the Start of the Final 30-Day Public Comment on the Comprehensive Study Report of the Kitsault Mine Project

26.08.2013 | [Marketwired](#)

VANCOUVER, BC -- (Marketwired - Aug 26, 2013) - [Avanti Mining Inc.](#) (TSX VENTURE: AVT) (PINKSHEETS: AVNMF), through its wholly owned subsidiary Avanti Kitsault Mine Ltd. ("Avanti" or the "Company"), has received notice on the beginning of the final 30-day public comment period on the Comprehensive Study Report (CSR) by the Canadian Environmental Assessment Agency (CEAA). CEAA has been conducting a comprehensive environmental assessment on the Kitsault Mine Project since November 8, 2010.

"This is the final significant milestone in the Kitsault environmental assessment process," said Craig J. Nelsen, President and CEO of Avanti Mining Inc. "We are grateful for the efforts of the many federal agencies that have contributed to this document. The CSR concludes that with the implementation of mitigating measures referred to in the report, the project is not likely to cause significant adverse effects."

The Comprehensive Study Report and more information on this project are available on the Agency's website (<http://www.ceaa-acee.gc.ca/050/details-eng.cfm?evaluation=57958>). All comments received will be considered public.

Copies of the Comprehensive Study Report are also available for viewing at the following locations:

Prince Rupert Public Library
101 6th Avenue West
Prince Rupert, British Columbia

Terrace Public Library
4610 Park Avenue
Terrace, British Columbia

Written comments must be sent by September 22, 2013 to:

Forward-Looking Statements:

This news release contains certain forward-looking information concerning the business of Avanti Mining Inc. All statements, other than statements of historical fact, included herein including, without limitation, the Company's plans to participate in and oppose the petition of the Nisga'a, are forward-looking statements. These forward-looking statements are based on the opinions of management at the date the statements are made and are based on assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events to differ materially from those projected in forward-looking statements. Important factors that could cause actual results to differ materially from the Company's expectations include uncertainties inherent in litigation matters, the need for the cooperation of government agencies and native groups and other risks and uncertainties disclosed in the Company's Annual Information Form for the year

ended December 31, 2011, which is available at www.sedar.com. The Company is under no obligation to update forward-looking statements if circumstances or management's opinions should change, excepting as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking statements.
