New York, United States (ABN Newswire) - The Oil Council announces their Investment and Finance Focused Oil and Gas Conference being held at the Four Seasons Hotel in Houston, Texas on October 22nd and 23rd.

"The Oil Council's North America Assembly has quickly established itself as one of the must attend energy events, in terms of the quality of the speakers, and as a forum for effective networking."

Adrian Goodisman, Managing Director, Scotiabank

"The Oil Council is a leader of the discussion about North America's upstream future. It is critical that all industry participants share and exchange ideas to get the United States back to energy independence, and The Oil Council has been a great facilitator of this."

Sam Oh, Managing Director, Apollo Management

"An exceptional opportunity to engage and network with the upstream industry, including small to large cap E&P companies, the complete spectrum of service providers, as well as sector investors"

Brian Maxted, CEO, Kosmos Energy

We've designed this meeting so that you can get close to some of the industry's most senior and active dealmakers in O&G and in the investment and finance spheres.

Speakers include the likes of:

- Rudy Giuliani, Former Mayor of the City of New York (Special Keynote Address)
- Lee Tillman, CEO, Marathon Oil
- Bill Maloney, EVP, Development and Production North America, Statoil
- Clay Vaughn, Vice President, Deepwater, ExxonMobil
- Ed Cohen, CEO, Atlas Energy
- Edgard Habib, Chief Economist, Chevron
- Frank Holmes, CEO & CIO, US Global Funds
- Gary Petersen, Managing Partner, EnCap Investments

As always, spaces are limited. Secure your place now to join these individuals and 400 other senior executives in October for two days of networking and discussions about the future investment and finance landscape of North American O&G. Meet existing friends and clients, let us introduce you to new contacts from around the world.

About The Oil Council:

The Oil Council is the world's largest network of oil and gas executives (Chairmen, CEOs, CFOs, Bankers,

Advisors, Investors and Financiers). The Oil Council is not a broker nor does it invest directly as a group. Our Members and Partners represent some of the world's most active qualified investors and oil & gas executives. Because of the international make-up and vast experience of our Membership, the network is active across the whole sector in every major production region and frontier market.
