

Sage Announces Private Placement

28.08.2013 | [Marketwired](#)

TORONTO, ONTARIO--(Marketwired - Aug 28, 2013) - [Sage Gold Inc.](#) ("**Sage**" or the "**Company**") (TSX **VENTURE:SGX**) is pleased to announce that it intends to complete an additional tranche of the non-brokered private placement previously announced on April 30, 2013, May 23, 2013 and July 18, 2013 for additional gross proceeds of up to \$30,000 (the "Offering"). The Offering will consist of the sale of up to 1,000,000 common shares (each, a "Common Share") at \$0.03 per Common Share.

The Company intends to use the net proceeds of the Offering to maintain the Company's assets, for debt repayment and working capital purposes. Completion of the Offering is subject to the receipt of all necessary approvals including the approval TSX Venture Exchange ("TSXV").

All securities issued pursuant to the Offering will be subject to a statutory four-month and one day hold period.

About Sage

Sage is a mineral exploration and development company which has primary interests in near-term production and exploration properties in Ontario. Its main properties are the Clavos Gold deposit in Timmins and the Lynx deposit and other exploration properties in the Beardmore-Geraldton Gold Camp. CAUTIONARY STATEMENT: Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein. This News Release includes certain "forward-looking statements", which often, but not always, can be identified by the use of words such as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". These statements are based on information currently available to Sage and Sage provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements with respect to Sage's future plans, objectives or goals, to the effect that Sage or management expects a stated condition or result to occur, including Sage's business, and financing plans. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of Sage's mineral properties, and Sage's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with Sage's activities; and other matters discussed in this News Release and in filings made with securities regulators. This list is not exhaustive of the factors that may affect any of Sage's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on Sage's forward-looking statements. Sage does not undertake to update any forward-looking statement that may be made from time to time by Sage or on its behalf, except in accordance with applicable securities laws.
