

Gold Mountain Mining Corp. Commences Processing Bulk Sample

12.09.2013 | [CNW](#)

VANCOUVER, Sept. 12, 2013 - [Gold Mountain Mining Corp.](#) (the "Company" or "Gold Mountain") (TSX-V: GUM) is shipping bulk sample material for mill processing as part of the planned 10,000 tonne bulk sample program on its 100% owned Elk Gold property, located near Merritt, British Columbia.

A bulk sample processing contract has been signed with a mill to process the first 500 tonnes of material from the bulk sample program. The vein material is currently being shipped to the mill and processing is expected to take place within the next four weeks. Upon successful completion of the first 500 tonnes of material a contract extension will be negotiated to allow the balance of the bulk sample mining to be completed and shipped for processing

The bulk sample program is expected to provide positive cash flow based on current gold prices in excess of \$1300 per oz.

The Company's Senior Geologist, Robert Wilson, P.Geo., acts as the Company's Qualified Person for technical disclosure per National Instrument 43-101, and has reviewed and approved the technical content of this press release.

About Gold Mountain Mining

Gold Mountain is a public resource company managed by an experienced team of professionals with a solid track record of exploration and development success. The Company owns 100% of the 16,700 hectare Elk Gold property, which the Company intends to develop into a precious metal producer within the next two years, and is also seeking additional near-term production assets to further build shareholder value. Additional information is available on Sedar.com or on the Company's website at www.aumtn.com.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this Release.

ON BEHALF OF THE BOARD

"Chris McLeod" (signed)
Chris McLeod, President & CEO

Forward-Looking Statements: This news release contains forward-looking statements that are based on the Company's current expectations and estimates. Forward-looking statements are frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate", "suggest", "indicate" and other similar words or statements that certain events or conditions "may" or "will" occur, and include, without limitation, statements regarding the closing of further tranches of the Offering, the use of proceeds from the Offering and the Company's plans with respect to the exploration and development of its projects. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause actual events or results to differ materially from estimated or anticipated events or results implied or expressed in such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.
