NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES. ANY FAILURE TO COMPLY WITH THIS RESTRICTION MAY CONSTITUTE A VIOLATION OF U.S. SECURITIES LAWS.

[New Zealand Energy Corp.](#) (TSX VENTURE:NZ) (OTCQX:NZERF) ("NZE" or the "Company") is pleased to announce the terms of a non-brokered private placement of up to \$15 million (the "Offering"). The Offering is scheduled to close by September 30 and will consist of up to 45.5 million of subscription receipts (the "Subscription Receipts") at a price of \$0.33 per Subscription Receipt. The Subscription Receipts will be convertible into units (the "Units") consisting of one common share (a "Share") and one-half of one non-transferable share purchase warrant (each whole warrant referred to as a "Warrant") of the Company. Each Warrant will entitle the holder to acquire one Share at a price of \$0.45 for a period of 12 months following closing of the Offering.

The proceeds from the sale of the Subscription Receipts will be used to complete the acquisition of assets (the "Acquisition") from Origin Energy Resources NZ (TAWN) Limited, a wholly-owned subsidiary of Origin Energy Limited (ASX:ORG) (collectively "Origin") and for general working capital. The funds will be held in escrow and released on closing of the Acquisition. See the Company's June 17, July 30, August 6 and August 12 news releases for details regarding the Acquisition. If the Company is unable to close the Acquisition then the proceeds from the sale of the Subscription Receipts will be returned to the subscribers.

NZE will file a short form prospectus with the applicable regulatory authorities in each of the provinces of Canada where Subscription Receipts are sold. Each Subscription Receipt will automatically convert into one Unit on the date that the Acquisition closes (the "Acquisition Closing Date") if a final receipt for the prospectus has been issued by the applicable regulatory authorities. If NZE has not received a final receipt for its prospectus by the Acquisition Closing Date, then the Subscription Receipts will convert into Units when a prospectus receipt is issued or at the latest on the date that is four months and one day from the closing of the Offering. The Shares and the Shares underlying the Warrants will be free-trading on conversion of the Subscription Receipts.

NZE will pay a finder's fee to qualified persons comprised of a 7% cash commission plus finder's warrants (the "Finder's Warrants") of the Company in an amount equal to 7% of the number of Subscription Receipts issued by the Company. Each Finder's Warrant will entitle the finder to acquire one Share at an exercise price of \$0.33 for a period of 12 months following closing of the Offering.

The Offering is subject to TSX Venture Exchange acceptance.

The securities offered have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or applicable exemption from the registration requirements. This news release does not constitute an offer to sell or the solicitation of any offer to buy nor will there be any sale of these securities in any province, state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such province, state or jurisdiction.
