

Aldrin Appoints Mr. Thomas S. Drolet

24.09.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Sep 24, 2013) - [Aldrin Resource Corp. \("Aldrin"\) \(TSX VENTURE:ALN\)](#) is very pleased to announce the appointment of Mr. Thomas S. Drolet to its advisory board. Mr. Drolet has had an extensive 43 year career in many phases of Energy, including Nuclear Power (Fission and Fusion), Geothermal, and major projects in Coal, Natural Gas, Distributed Generation, Oil and other renewables such as Hydroelectric, Solar and Biomass.

He was born in Ottawa, Canada and received a bachelor's degree in Chemical Engineering from the Royal Military College of Canada and a Masters of Science Degree in Nuclear Technology/Chemical Engineering and a DIC from Imperial College, University of London, England. Mr. Drolet spent 26 years with Ontario Hydro, the largest Electrical Utility in North America in various positions including Nuclear Fission and Fusion, Coal, Natural Gas, Hydro, and alternative energies. He served Ontario Hydro as President and CEO conducting projects in 44 countries worldwide. Tom was appointed Managing Director of American Electric Power for Canada where he was involved in mergers, acquisitions and other consulting activities in Japan, China and the Canadian and US power sectors. In 2001, he joined DTE Energy Technologies as their head of International Business for Distributed Generation energy products. Mr. Drolet also assisted at Chernobyl, Ukraine soon after the accident in 1986, at Three Mile Island and has been on various major news networks advising on the recent Fukushima disaster. Tom continues consulting on a variety of management and energy issues for several large International organizations.

Mr. Drolet states, "I am pleased to be assisting Aldrin as a member of their advisory board. Aldrin is at a very exciting stage and they are assembling an exceptional team to carry out their mandate of becoming a leader in the Canadian uranium sector."

President and CEO Johnathan More states, "Having a man like Mr. Drolet on our team is remarkable. His experience around the globe in the Uranium space is unprecedented. We will no doubt draw from his experience as we continue to build [Aldrin Resource Corp.](#) during this exciting time."

ON BEHALF OF THE BOARD OF DIRECTORS

Johnathan More, CEO and Director
