

Brades Resource Corp. Announces Appointment of Chief Executive Officer

01.11.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwired - Nov. 1, 2013) - [Brades Resource Corp.](#) ("Brades" or the "Company") (TSX VENTURE:BRA) is pleased to announce the appointment of Mr. Carl von Einsiedel, PGeo. as Chief Executive Officer and a director of the Company, effective November 1, 2013. Mr. von Einsiedel replaces Mr. Brian Biles who has resigned as President, Chief Executive Officer and director.

Mr. von Einsiedel has worked as a consulting exploration geologist and independent contractor since the early 1980s and received his Bachelor's degree in Geology from Carleton University in Ottawa in 1987. Mr. von Einsiedel brings over 20 years of project management experience to the Brades team involving uranium, as well as precious and base metal exploration projects throughout western Canada and Mexico. Carl is an independent consulting geologist and has been registered with the British Columbia Association of Professional Engineers and Geoscientists since 1992.

Mr. von Einsiedel brings significant technical expertise and public market experience to the Company and continues the Company's recent actions to build its management and create value for shareholders.

About Brades

Brades is a junior exploration and development company with a focus of operations on Canadian resource properties. Brades is currently advancing its BRC porphyry copper-gold property in the Iskut River District, northwestern British Columbia. The BRC property covers 14,133 ha. and exhibits mineralization and alteration features that are similar to the Teck - Novagold Galore Creek deposit and the Imperial Metal Red Chris deposit in northwestern British Columbia. Brades has recently acquired the Lorne Lake uranium property situated in the western Athabasca Basin in Saskatchewan and has announced a pending option to acquire a 50% interest in Fission Uranium Corp.'s Clearwater West property located in the southwestern region of the Athabasca Basin.
