About the Company

Kirkland Lake Gold's corporate goal is to create a self sustaining and long lived intermediate gold mining company based in the historic Kirkland Lake Gold Camp. The Company plans to do this by increasing production capacity to 2,200 tons of ore per day in several stages, and by decreasing production costs by realizing the economies of scale associated with that higher production capacity. At the same time, the Company is committed to maintaining a significant exploration program aimed at developing and maintaining a property wide reserve and resource base sufficient to sustain a mine life of more than ten years for as long as practicable.

Neither the Toronto Stock Exchange nor the AIM Market of the London Stock Exchange has reviewed and neither accepts responsibility for the adequacy or accuracy of this news release.
