This will be a live, interactive online event where investors are invited to ask the company questions in real-time - both in the presentation hall as well as the company's "virtual trade booth." If attendees are not able to join the event live on the day of the conference, an on-demand archive will be available for 90 days.

It is recommended that investors pre-register to save time and receive event updates.

## About Kivalliq Energy Corp.:

[Kivalliq Energy Corp.](#) (TSXV: KIV) is a Canadian uranium exploration company, advancing one of the world's highest grade uranium deposits – the "Lac 50 Trend" in Nunavut Territory, Canada. Kivalliq's team of northern exploration specialists have delivered industry beating discovery costs and grown the Lac 50 Trend inferred resource base by 200% over the past 3 years; exploration programs clearly demonstrate the "District Scale" potential of the Angilak Property.

Kivalliq is focused on building shareholder value while adhering to a high level of environmental and safety standards and proactive local community engagement. With uranium spot prices nearing decade lows, despite stable growth in nuclear fuel demand, companies like Kivalliq with high-quality uranium assets offer significant value as contrarian investments.
