

Blackbird Energy Announces Increase to Financing Due to Over-Subscription

06.11.2013 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Nov 6, 2013) - (TSX VENTURE:BBI) [Blackbird Energy Inc.](#) ("**Blackbird**" or the "**Company**") announced today that due to its currently ongoing private placement having been over-subscribed, it is increasing the financing by up to an additional \$100,000, for total gross proceeds of up to \$3,100,000.

The Private Placement is expected to close on or about November 7, 2013 and remains subject to receipt of the TSX Venture Exchange's final acceptance.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Blackbird

[Blackbird Energy Inc.](#) is a Western Canadian based company that explores, develops and produces oil and natural gas in Saskatchewan and Alberta, Canada. The Company is managed by a proven technical team. Blackbird trades on the TSX Venture Exchange under the symbol BBI.

Blackbird's team is focused on originating new high quality oil projects through the assembly of land positions in Saskatchewan and Alberta.

On behalf of the board of **BLACKBIRD ENERGY INC.**

Garth Braun, Chief Executive Officer and Director

Disclaimer for Forward-Looking Information

This press release contains forward-looking information that involves various risks and uncertainties regarding future events related to the Private Placement. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements and are not guarantees of future performance of the Company. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties and speculative nature associated with oil and gas exploration and production, (3) a decreased demand for natural gas, (4) any number of events or causes which may delay or cease exploration and development of the Company's property interests, such as environmental liabilities, weather, mechanical failures, safety concerns and labour problems, (5) the risk that the Company does not execute its business plan, (6) inability to retain key employees, (7) inability to finance operations and growth, and (8) other factors beyond the Company's

control. These forward-looking statements are made as of the date of this news release and, except as required by law, the Company assumes no obligation to update these forward-looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements.
