Africa Hydrocarbons Applies to Extend Expiry Date of Outstanding Warrants

28.11.2013 | Marketwired

CALGARY, ALBERTA--(Marketwired - Nov. 28, 2013) -

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Africa Hydrocarbons Inc. (TSX VENTURE:NFK) (AHI or the Company) is pleased to announce that it has applied to the TSXV for an extension of the expiry date of certain of its outstanding common share purchase warrants (the Warrants). The application seeks TSXV approval of the extension of the expiry date of the Warrants to May 31, 2014. For further information on the original issuance of the Warrants, please refer to the press releases of the Company dated May 10, 2012 and November 9, 2011, filed on SEDAR.

Warrantholders are advised that replacement Warrant certificates will not be issued and that the original Warrant certificates must be presented to the Company in order to effect the exercise or transfer of such Warrants.

About the Company

AHI is a Canadian based international oil and natural gas company involved in the acquisition, exploration and development of energy assets, with an emphasis on Africa. The key asset of the Company is its 47.5% owned Bouhajla Block, located onshore in Tunisia within the productive Pelagian Basin.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this News Release.

This press release, required by applicable Canadian laws, is not for distribution to U.S. News services or for dissemination in the United States, and does not constitute an offer to sell or a solicitation of an offer to sell any of the securities described herein in the United States. These securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended, or any state securities laws, and may not be offered or sold in the United States or to U.S. Persons unless registered or exempt therefrom.

ON BEHALF OF THE BOARD OF AFRICA HYDROCARBONS INC.

John Nelson, CEO

Forward-Looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "schedule", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward looking statements and information concerning the Offering and the use of proceeds of the Offering. By their nature, forward-looking statements are subject to numerous risks and uncertainties, some of which are beyond management's control, including the receipt of third party approvals, including shareholder and regulatory approvals, the impact of general economic conditions, industry conditions, volatility of commodity prices, currency fluctuations, imprecision of reserve or resource estimates, environmental risks, competition from other industry participants, the lack of availability of qualified personnel or management, stock market volatility and ability to access sufficient capital from internal and external sources.

Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. Actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements. No assurance can be given that any of the events anticipated will transpire or occur, or if any of them do so, what benefits will derive from them. Except as required by applicable securities laws, AHI disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
