VANCOUVER, BRITISH COLUMBIA -- (Marketwired - Dec. 2, 2013) - [Animas Resources Ltd.](#) (TSX VENTURE:ANI) Board of Directors today announced that Mark T. Brown, chairman of the Board of Directors, has been appointed as the interim President and CEO of Animas.

Mr. Brown is a financial executive whose focus on building companies with a strong financial position, value adding M&A transactions and a tight share structure, will be an asset to Animas with its current transaction underway, and possibly future M&A activity to come. Mr. Brown is a Director of other resource companies and has worked at TSE 300 gold producing companies, and founded several exploration companies, one of which was listed on the NYSE Market exchange. Mr. Brown is also a significant shareholder of Animas Resources Ltd.

"We are thankful for John's leadership over the past years as the Company undergoes a transformation from mineral exploring to focusing on bringing the Santa Gertrudis Gold Project back to production. With the letter of intent signed with GoGold Resources Inc. regarding the acquisition transaction of the Santa Gertrudis Gold Project, both John and the Board believe that this is a good transition point," said Mr. Brown. "We are happy to have John remained as a valuable director and advisor in completing this transaction with GoGold and wish John the best in his future endeavors."

"I am proud of our accomplishments over the past years as we finalize the transaction with GoGold," said Mr. Wilson. "I am sincerely grateful for the support I have received from the Board of Directors as well as our shareholders. The Santa Gertrudis Gold Project is now well positioned to become a gold producing mine again. While I am transitioning as CEO, I will remain an advisor and Director of Animas."
